Landscape Oil Painting Class Supply List

Gary Godbee

- Canvas- Any size similar in proportions to your source photo. It is always a good idea to give a light sanding with fine sandpaper to any canvas that feels rough or scratchy, and all store-bought canvasses are improved by one or two additional coats of acrylic gesso (Liquitex® Gesso or Golden® Gesso). Please prepare your canvas at least a day before class. No canvas boards, please.
- Palette - Coated-paper block type (disposable), or wooden. 12"x16".
- Palette cups - One or two small metal or plastic cups.
- Brushes - Bristles - FLATS #1, 2, 3, 4, 6, 8, and 12. (Robert Simmons "Signet")
- Synthetic Sables - ROUNDS - #1 and 3 - (for details). (Utrecht "Manglon" #2 round is fine.)
- Synthetic Sables - FLATS - # 4 and 6 (and larger for skies)- for blended passages. (Utrecht "Manglon" (orange stripe on handle) flats work well. Simmons "Sienna" & "Sapphire" are only made as "brights", but are also good.)
note* Brushes meant for oil and acrylic painting are long-handled; short-handled brushes are meant for water-media and will not handle the density of oil paint well.

Oil Colors - 37ml tubes - Gamblin, Windsor&Newton, Rowney, Utrecht, Grumbacher (Avoid student grades. Example: 'Winton' is Windsor&Newton's student grade.)

- Cadmium Yellow Medium
- Yellow Ochre
- Raw Sienna
- Burnt Sienna
- Burnt Umber
- Cadmium Red Light
- Venetian Red (English Red is the same)
- Alizarin Crimson
- Dioxazine Purple (Windsor Violet)
- Ultramarine Blue
- Cerulean Blue Hue (less expensive and more saturated than pure cerulean)
- Cadmium Green (Gamblin)
- Olive Green (Gamblin)
- Sap Green
- Viridian
- Ivory Black
- Titanium White

Solvent

- TURPENOID - in the BLUE and white can. (Do not buy Turpenoid Natural in the green can.) (Neither turpentine nor mineral spirits are acceptable for health reasons.)
- Brushwasher – You must have one of the following: metal-type brushwasher with lid, or a glass jar with coil (Pearl Paint), or a mayonnaise-size jar w/lid - large enough to hold 3 or 4 large brushes. This is to clean your brushes as you work. Palette cups are not appropriate for this.
- Medium - Small jar of cold-pressed linseed oil.

- Pencils - A couple of 2B pencils are fine.
- Paper Towels - I prefer paper towels to rags as they are easier to dispose of and are helpful for adding an initial tone to your canvas.
