Dynamic Portraits in Oil and Acrylic

Instructor: Janet Boltax

Please have all supplies for first class.

Painting Supplies:

- Oil or acrylic paints in the following colors:
 - White (4-oz tube)
 - 1.25 oz tubes of:
 - burnt sienna
 - raw sienna,
 - cadmium red light,
 - cadmium orange,
 - cadmium yellow light,
 - cerulean blue,
 - ultramarine blue,
 - viridian
 - alizarin crimson

Note about paint: I use Winsor Newton, but Winton (student grade) is okay for beginners. Acrylic painters can use Liquitex or Golden paints (or Winsor Newton Galeria for less expensive student grade). For acrylic painters it is preferable to get "Heavy Body" paints.

- Large wooden or thick plexiglass palette, 18 x 20" or larger. (You can have plexiglass cut to size at art stores, frame stores, possibly hardware stores. Do not use a small palette; it will hinder your work.)
- Painting medium: Res-n-gel painting medium for oils, Liquitex matte medium for acrylics.
- Can of Turpenoid (odorless mineral spirits) for oils; water for acrylics.
- Palette knife for scraping paint from palette or canvas.
- About six long-handled oil or acrylic painting brushes in a variety of sizes, ranging from a small brush for details to a brush that is about 1 1/4". (Please buy filberts or flats; you can bring rounds in addition if you like).

IMPORTANT BRUSH NOTE – Use new brushes or brushes in very good condition. Worn brushes will hinder your work. Also, use long-handled brushes specifically made for oil or acrylic paints. Do not use short brushes as they are not appropriate for oil or acrylic painting.

- Small, metal cup for holding Turpenoid or water.
- Roll of paper towels or cotton rags.
