KIDS CAMPS & TEEN CLASSES

**YARD SCHOOL OF ART** VANCE WALL ART EDUCATION CENTER

# WELCOME TO SUMMER**ART** 2021!

At the Montclair Art Museum, we care about your child and believe art can enhance their health and happiness by cultivating **creativity, self-expression, personal growth, friendships**, and making the most of summer vacation! It has been a tough year, so this summer more than ever, we understand how important it is for kids and teens to be in a supportive and fun learning environment with peers. So, we are excited to offer SummerART as an in-person program this year!

Art camp is for everybody, not just for artists. Campers will explore **nature, science, history, language arts, and more through creative expression**. This summer, studio camps are full day and campers are grouped in age-specific art pods for the entire two-week session. Each session will emphasize different skills and projects to keep campers interested, engaged and always learning new things. We are also thrilled to offer SummerART at Van Vleck House & Gardens again this year, now with the option of morning or afternoon sessions! In addition to studio camp, older kids can also register for morning-only camps in wheel-throwing ceramics or digital media.

**Young teens ages 12-15** can choose from a range of morning and afternoon classes from traditional fine arts media such as drawing, painting, illustration, and ceramics to digital photography and digital drawing, or work independently with guidance from a teaching artist in Teen Workshop.

All SummerART programs are taught by professional teaching artists and are designed to cultivate imagination while developing artistic skills in a nurturing and inclusive environment.

**Safety is a priority at MAM.** Classes will take place in our spacious studios and outdoors on the Museum grounds. All COVID-19 guidelines, including daily temperature checks, mask-wearing and social distancing, will be followed. Each student will be provided with their own set of art supplies so materials will not be shared with others. The Ceramics Studio has been retrofitted with plexiglass dividers, touchless sinks, and improved ventilation.

Whether your child or teen joins us for one session or all summer, we can't wait to get to know you and your family. **Scholarships are available based on merit and financial need.** We are also pleased to offer financial assistance for children with disabilities and special needs.

Everything you need to prepare for SummerART is right here. Please check [www.montclairartmuseum.org](http://www.montclairartmuseum.org) for the latest updates, scholarship and financial need information, and to register. If you would like to discuss your child's interests and needs to find the best program and schedule, give us a call at 973-259-5139 or email [yardschool@montclairartmuseum.org](mailto:yardschool@montclairartmuseum.org).

# SUMMERART SAFETY

SUMMERART can be safe and fun at the same time! We have been welcoming kids and families to in-person classes and programs since January, and hope to see your family at MAM this summer. Keeping everyone safe is a shared responsibility. Please review the COVID-19 safety guidelines for all summer camps and classes at MAM and Van Vleck Gardens below.

## **Safety guidelines are subject to change based on CDC recommendations.**

Instructors, parents/guardians, and students are required to follow these safety protocols:

- An instructor or student who is feeling ill or displaying any symptoms of COVID will not be permitted to attend class. If symptoms arise during class, they will be sent home immediately.
- A questionnaire about health and exposure will be completed upon arrival. If an instructor or student has had contact with someone suspected or lab confirmed to be ill with COVID-19, they will not be permitted to enter the Museum or attend class for 10 days.
- If an instructor or student is suspected or lab-confirmed to be ill with COVID-19, they must go home and not return to the Museum or attend class for 10 days and until they are

fever-free for at least 72 hours (3 days) without medication, other symptoms have improved, and it has been at least 7 days since onset of symptoms.

## **Safety Guidelines**

- Temperatures for all staff, instructors, and students will be taken and recorded daily.
- All staff and students must wash or sanitize their hands when coming into class and every hour.
- Hand sanitizers are available for staff and student use.
- All staff and students must wear masks coverings over their nose and mouth.
- All staff and students must maintain a minimum of 6 feet from all others.
- Staff members and students cannot share any equipment or supplies, and each student will have designated supplies to use during camp.
- Students attending full day camp will eat lunch and have recess outside or under a tent.

- Parents, guardians, or caregivers must be able to pick up their child within one hour's notice if children display any COVID-19 symptoms, or other illness.
- MAM reserves the right to cancel a camp or class or transfer a camp or class to the online Zoom platform at any time, in the event of possible COVID-19 exposure.

## **WAIVER**

We are working to keep you safe and healthy, but we cannot guarantee complete elimination of possible exposure to COVID-19. By entering the Museum you assume the risk of such exposure. We are taking extra precautions in our classrooms including disinfecting the space before and after each class. All students and instructors are required to wash their hands before entering the classroom, and repeat once every hour class is in session. Students and instructors must maintain a minimum of 6 feet distance from each other and are required to wear a mask that covers their mouth and nose completely. Please do not attend class if you are experiencing any symptoms of COVID-19.

## **CERAMICS STUDIO**

**PHOTOGRAPHY**  
 Photographs, screenshots, and/or interviews may be taken of students, children, and parents, and their artwork, and may be published and used to promote MAM's programs. If you do not want yourself, your child, or your child's artwork photographed, please notify the Museum in writing at [yardschool@montclairartmuseum.org](mailto:yardschool@montclairartmuseum.org).

**LOST PROPERTY**  
 MAM is not responsible for artwork and other property left on the premises, and has no liability if such property is stolen.

**MATERIALS AND SUPPLIES**  
 Materials for children's and young teen courses and camps are provided. Spray paints, fixatives, and aerosols are prohibited. Each student will receive their own supplies for use during the camp session.

**MEMBERSHIP**  
 Member benefits include priority registration and reduced tuition fees for studio classes, workshops, and camps. Members also receive free admission to MAM, discounts to local restaurants and The Store at MAM, invitations to Openings, and more. Membership categories and complete benefits are available on the MAM website.

PLEASE NOTE: The Art School tuition discount applies to the member only for Student and Individual memberships. However, Family level memberships and higher categories entitle all members of the immediate family to tuition at the reduced member rate. Single memberships are not offered for children under age 18. Therefore, to be eligible for the reduced member rate for children's and teen's classes or camps, the child's family must have a current Family or higher membership. Membership dues may be paid at the time of registration. If your membership is due to expire during the upcoming class session, please include your renewal payment with your registration fee. For more information, call the Membership Department at 973-259-5151 or email [fsmith@montclairartmuseum.org](mailto:fsmith@montclairartmuseum.org).

**TERMS OF REGISTRATION**  
 By registering, you agree to the contents herein including following statement:  
 In consideration of the benefit for which I, or my child, will derive from these activities, I hereby release the Montclair Art Museum (MAM), its trustees, staff, parents, and any other affiliated individuals associated with the Yard School of Art from any and all claims or actions whatsoever in connection with the operation and supervision of these activities. I understand that MAM does not have an onsite nurse or any other medical professional. Staff members will not administer medications and do not have the ability to monitor medical conditions. In the event of an emergency, the MAM staff will seek outside medical assistance. Nuts and nut products are not permitted during camp, and the museum uses non-toxic art supplies for kids studio classes; however, MAM does not guarantee that it is an allergen-free facility.

In the event that I cannot be contacted and the person that I have designated cannot be contacted or in the event of an emergency where there is not sufficient time to contact me or my designee, I hereby authorize MAM's staff to act on my behalf with regard to medical treatment of myself or my child. Without limitation, I authorize transportation and medical treatment for me or my child. I understand that the staff of MAM will make every effort to contact me, or my emergency contact, during an emergency.

My child has permission to take part in all activities at MAM. In addition to activities that take place on MAM grounds, I give my child permission to take walking tours under the supervision of MAM staff.
