**YARD SCHOOL OF ART** VANCE WALL ART EDUCATION CENTER

# WELCOME TO SUMMER**ART** 2023!

At the Montclair Art Museum, we care about your child and invite them to **cultivate creativity, self-expression, personal growth, and friendships** with us! All SummerART programs are taught by professional teaching artists and are designed to foster a **nurturing and inclusive environment**.

Campers ages 6-12 will harness their creative imaginations through **exploring nature and wildlife, outer space and engineering, history, literacy and storytelling, and social and emotional learning**. Camp takes place in MAM's spacious studios and grounds, as well as Van Vleck House & Gardens. Older kids can register for morning-only camps in wheel-throwing ceramics or digital media. Young teens ages 12-15 may choose a range of morning and afternoon classes from traditional fine art media and ceramics to contemporary practices, and supervised lunch is available for those staying all day.

Four-week and eight-week adult classes, one-day workshops, and week-long intensives are open to ages 16+ and include classes for all skill levels.

Everything you need to prepare for SummerART kids and teens is right here. Please check [montclairartmuseum.org](http://montclairartmuseum.org) for the latest updates, scholarship information, and to register. Materials for children's and young teen courses and camps are provided. Spray paints, fixatives, and aerosols are prohibited. Each student will receive their own supplies for use during the camp session.

**MEMBERSHIP**  
Member benefits include priority registration and reduced tuition fees for studio classes, workshops, and camps. Members also receive free admission to MAM, discounts to local restaurants and The Shop at MAM, invitations to exhibition openings, and more. Membership categories and complete benefits are available on the MAM website.

PLEASE NOTE: The Art School tuition discount for adult classes is available to the Student, Individual and Dual membership levels. However, Family level memberships and higher categories entitle all members of the immediate family to tuition at the reduced member rate. Single memberships are not offered for children under age 18. Therefore, to be eligible for the reduced member rate for children's and teen's classes or camps, the child's family must have a current Family level or higher membership. Membership dues may be paid at the time of registration but we encourage families to purchase membership in advance of priority registration.

If your membership is due to expire during the upcoming class session, please include your renewal payment with your registration fee. For more information, call the Membership Department at 973-259-5151 or email [fsmith@montclairartmuseum.org](mailto:fsmith@montclairartmuseum.org).

**TERMS OF REGISTRATION**  
By registering, you agree to the contents herein including following statement: In consideration of the benefit for which I, or my child, will derive from these activities, I hereby release the Montclair Art Museum (MAM), its trustees, staff, parents, and any other affiliated individuals associated with the Yard School of Art from any and all claims or actions whatsoever in connection with the operation and supervision of these activities. I understand that MAM does not have an onsite nurse or any other medical professional. Staff members will not administer medications and do not have the ability to monitor medical conditions. In the event of an emergency, the MAM staff will seek outside medical assistance. Nuts and nut products are not permitted during camp, and the Museum uses non-toxic art supplies for kids' studio classes; however, MAM does not guarantee that it is an allergen-free facility.

In the event that I cannot be contacted and the person that I have designated cannot be contacted, or in the event of an emergency where there is not sufficient time to contact me or my designee, I hereby authorize MAM's staff to act on my behalf with regard to medical treatment of myself or my child. Without limitation, I authorize transportation and medical treatment for me or my child. I understand that the staff of MAM will make every effort to contact me, or my emergency contact, during an emergency.

My child has permission to take part in all activities at MAM. In addition to activities that take place on MAM grounds, I give my child permission to take walking tours off MAM grounds under the supervision of MAM staff.
