SPONSORSHIP OPPORTUNITIES

The Montclair Art Museum and African American Cultural Committee are pleased to offer these exciting sponsorship packages for this year's **Art Meets Jazz**.

This annual performance series highlights the talent of local jazz musicians and often includes other artistic elements such as dance, spoken word, or exhibition. This year's event will feature vibraphonist Joe Locke! Widely considered to be one of the major voices of his instrument, Joe Locke is a highly sought-after soloist, composer, and bandleader. He is a six-time recipient of the Jazz Journalists Association's "Mallet Instrumentalist of the Year" Award, the 2023 Hot House NYC Jazz Awards for *Best Vibes Player*, and he continues to top critic and reader polls.

These sponsorship packages present an opportunity to connect with the Museum and AACC's expansive audience, whilst elevating your event experience. Special events like **Art Meets Jazz** fuel the Museum's operations to continue serving the community and helps us maintain an inclusive environment. Thank you for your thoughtful engagement and support, we hope you enjoy the show!
